

TECHNICAL DATA SHEET

Version 2 16/11/17

FULLATAK SC 1000 Natural / Red

Type of Adhesive FULLATAK SC1000 is a synthetic rubber based adhesive designed to

give very fast grab as well as high heat resistance, and is particularly

suited for bench top laminating.

Product Benefits Good balance of open time and fast grab

High heat resistance

Typical Applications Fullatak SC1000 targeted at the kitchen benchtop fabrication industry

where a faster set time is suitable for bullnosing or other general

fabrication where high heat resistance is required.

Typical Properties

Raw material base	Solvent
Appearance	Tan or Red
Solid Content	Approx 17-19 %
Viscosity (Brookfield)	280 – 400 cps
Application Information	FullatakSC1000 is designed to be applied by spray equipment. For optimum performance this product should be used within operating temperatures of 15°C to 30°C. Dilution is NOT recommended. – Ensure substrates are free form oils dirt or grease.
Storage	The product must be stored in accordance with relevant Dangerous Goods (Class 3) requirements. Product should be stored in its original container in a cool, well-ventilated place; out of direct sunlight between 5°C and 25°C. Keep away from sources of ignition. No Smoking.
Shelf life	Rotate stock using oldest batches first. Close containers air tight after use. For best performance use product within 6 months
Clean-up	Clean up surfaces and equipment whilst adhesive is still wet
Safety Advice	Please refer to the SDS for safety advice.

Made in Australia

Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: Information, specifications, procedures and recommendations provided ("information") are based on our experience and we believe this to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that use of the product will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.

Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence or for breach of any mandatory implied terms.
