

## TECHNICAL DATA SHEET

Version 2  
05/06/2018

### SWIFTTAK 1121A

- Type of Adhesive** Synthetic polymer solution.
- Product Benefits** High wet tack  
Clean running
- Typical Applications** Adhesive for use as laminating cellulosic paper rolls.
- Suitable Substrates** Can be used with all kinds of paper quality (ie. Virgin or recycled) and for 1 up to 4 plys end product production.

#### Typical Properties

Colour	transparent
Odour	characteristic
Dry Film	transparent
pH	Approx. 4.5
Solids (%)	Approx 21%
Density	1.05g/cm <sup>3</sup>
Viscosity at 26°C	Approx.. 27,000 cPs
Shelf Life	6 months unopened
Safety Advice	Please refer to the SDS for safety advice.

### Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: Information, specifications, procedures and recommendations provided ("information") are based on our experience and we believe this to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that use of the product will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

**NOTE TO USER:** by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.

Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence or for breach of any mandatory implied terms.
